Subject: RE: Communications planning for 2018 CEC Council Session

Hi Luis,

Hope the meetings are going well.

I think it should be fine - the only issue I see is that we planned on launching the Council invite on Tuesday, so wanted to have the communications call before the official launch.

We could easily push the launch to Wednesday, though (might be necessary to get a few other things in order anyway) if that doesn't inconvenience any of the Parties...let's discuss this afternoon.
